# Unique Icoloc roof cover

**ico**600

A low pitch version of the Icoroof, with a unique cover selected especially to suit the requirements of this design and help water clear from the surface without interference.

**U-Value:**  
0.16 as standard

**Max. projection**  
4.5m as standard  
Conditions apply

**Pitch as low as 3°**

---

**The Icoroof uses fully recyclable 155mm  
EPS insulation & FSC Certified timber.**
